
# Insurance

The insurance industry in Ireland is one of the fastest growing areas in the economy. With the entrance of new market players in both the Republic and Northern Ireland, the industry has become even more competitive and consumer friendly. New products and services are constantly being launched in the market therefore offering a wide variety of career options for insurance professionals.

Brightwater Insurance is a specialist division of the Brightwater Group addressing the ever growing recruitment demands of the Irish and international insurance market. Our consultants work as part of a dedicated consulting team offering a complete recruitment solution to both job seekers and recruiters.

**Our areas of expertise include:**

– *Life & Pensions*
– *Reinsurance*
– *General Insurance*
– *Captive Insurance*

Brightwater's close links with professional insurance bodies guarantees that we can respond in a fast and proactive manner in the recruitment process. We are constantly updating and enhancing both our market knowledge and our extensive database of clients and job-seekers to ensure a full and professional service.

**We recruit for an array of roles, including:**

– *Actuary*
– *Captive Executive*
