
Public Practice

Accountancy Practice has undergone a radical change in recent years. Due to intense competition for accountants of all levels from other sectors, the market has become largely candidate driven with the focus being not only to attract the best and brightest individuals but more significantly to retain them.

Brightwater's Public Practice Division offers highly specialised expertise in the accountancy practice market with a dedicated team of consultants catering for the needs of employers and job-seekers alike. As each of our team focuses on a specialist area of practice, this enables us to offer our clients and candidates the most up to date and relevant information on on-going developments in accountancy practice. Brightwater's links with the professional accountancy bodies helps us develop our already extensive network of contacts within public practice, adding more value to our service.

Our areas of expertise include:

- *Audit*
- *Advisory*
- *Governance & Risk Compliance*
- *Taxation*
- *Corporate Finance*
- *Insolvency*
- *Risk Management*
- *Consulting*
- *Transaction Services*
- *Internal Audit*
- *IT Audit*
- *Company Secretarial*
- *Funds Management*

There are superb career opportunities within public practice as firms respond to ever-growing demands from their clients for new products and services. With a wide variety of positions, public practice offers a range of rewarding career prospects.

We recruit for an array of roles, including:

- *Audit Partner*
- *Audit Director*
- *Audit Manager*
- *Corporate Recovery Manager*
- *Risk Manager*
