

Insurance

The insurance industry in Ireland is one of the fastest growing areas in the economy. With the entrance of new market players in both the Republic and Northern Ireland, the industry has become even more competitive and consumer friendly. New products and services are constantly being launched in the market therefore offering a wide variety of career options for insurance professionals.

Brightwater Insurance is a specialist division of the Brightwater Group addressing the ever growing recruitment demands of the Irish and international insurance market. Our consultants work as part of a dedicated consulting team offering a complete recruitment solution to both job seekers and recruiters.

Brightwater's Insurance division recruits in the general areas of:

- Life & Pensions
- General Insurance
- Reinsurance
- Captive Insurance

Brightwater's close links with professional insurance bodies guarantees that we can respond in a fast and proactive manner in the recruitment process. We are constantly updating and enhancing both our market knowledge and our extensive database of clients and job-seekers to ensure a full and professional service.

Brightwater's Insurance division recruits for the following roles:

- Actuaries
- Pensions Consultants/Wealth Managers
- Pensions Administrators
- Life Underwriters
- Life Administrators
- Life Claims
- Compliance
- Captive/Reinsurance Executives
- Reinsurance Underwriters
- Insurance Brokers
- Insurance Loss Adjustors
- Claims Administrators
