### OUR SERVICE TO YOU

At Brightwater, we pride ourselves in our superior levels of service. Brightwater offers a truly consultative service to both client and candidate from the very start of the recruitment process to completion. Our commitment to service and our technical expertise sets us aside from our competitors. We also offer additional services such as providing salary surveys and information on current market trends. We take great pride in building successful and lasting working partnerships with both employers and jobseekers.

**For a confidential discussion, please call Siobhan Savage or Damien Wake in our International Engineering & Construction Team at Brightwater on 00 353 1 662 1000.**
